As a resident you will experience differing levels of stress at various times, particularly around examination time. Preventing easy access or exit from the building by leaving personal articles or rubbish blocking the exits, or interfering with any fire safety notice or equipment.

5. GETTING SETTLED INFORMATION

Most students coming from overseas experience a certain amount of 'culture shock'.

The people, the weather, the food, and the buildings may be new and it may take you a little time to get used to your new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our Community Spirit Events, so that you will make new friends and begin to feel more 'at home'.

If you are having difficulty settling in, our staff are here to help you! We also have many students from different countries who are going through the same experiences as you.

Please come and see us if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

Total Refund

If applicants are offered similar alternative accommodation within the same UniLodge facility before commencement of their Tenancy Agreement, or upon their arrival to take up residency but wish to decline this offer, a cancellation fee will apply.

The RTA bond deposit is refundable at the end of a Tenancy Agreement, which is not renewed. The conditions for this are: rent is paid in full, all furniture and equipment is accounted for, there is no damage to any UniLodge property for which the Resident is liable and expenses such as cleaning, telephone etc are fully paid. Any costs related to damage, rubbish removal, or excessive cleaning costs will be deducted from the security deposit, as is the departure cleaning fee.

Where the appropriate notice is given, then a portion of the security deposit may be refunded **at the discretion of UniLodge management**, dependent on the subsequent re-letting of the apartment to another party.

No Refund

In the event of a Resident being evicted, the Resident will not be eligible for refund of any rent paid until another resident is found.

At the end of a Tenancy Agreement, where damage has been caused to UniLodge property and the security deposit is not enough to cover the cost of rectification, the security deposit will be claimed and the Resident will remain liable for any additional costs.

Intruders

Although we take all possible precautions, intruders may occasionally gain entry. If you see anyone behaving suspiciously, call Reception immediately and watch the person or persons from a distance but do not put yourself at risk.

Be aware that people have been known to walk around a complex with a clipboard pretending they are on official business of some kind.

- **UniLodge has 24 hour video surveillance.**
- **Do not show any person to a resident's unit, or tell them where they live - the resident concerned may not wish to see the visitor.**
- **Do not swipe your card for any other person in the lifts or open the front entry door.**
- **Tell the visitor to call Reception.**

If in doubt - call Management by Dialling '9'.

18. EMERGENCY PROCEDURES

Upon Fire

- Assist any person in immediate danger only if safe.
- Close door.
- Call Fire Brigade (000). If calling from your room dial zero (0) for an outside line first.
- Attack fire if safe to do so.
- Evacuate to assembly area.
- Remain at assembly area and await further instruction.

Assembly Location

If you are instructed to evacuate the building, make your way to the nearest **FIRE EXIT** and continue down the stairs to Ground Level.

Please assemble along the footpath on the upper side of UniLodge on Margaret Street (George Street end), until instructed by the fire department that it is safe to re-enter the building. Please do not obstruct the driveway.

Fire Sprinklers and Detectors

Please be informed about the following points:

1. The smoke detector in your room is connected to a fire alarm system.
2. Never cover or attempt to remove the smoke detector in your room. These are connected to the main building fire alarm system and tampering may cause a system fault and/or a false alarm. In the event of a false alarm that is caused by interference with a smoke detector the Queensland Fire & Rescue Service has within its power to levy fines and commence prosecutions (current fines exceed \$1070). You may also be responsible for the cost of repairs to the system that tampering may cause.
3. In the event of excessive cooking fumes in your unit that cause your alarm to activate please do not attempt to clear these into the building common areas (including unit halls). Activation of common area alarms will automatically call the Queensland Fire & Rescue Service who has within its power to levy fines (currently in excess of \$1070). Please open your windows and balcony doors (if applicable) and fan the fumes away from your detector. Smoke detector will cease its alarm once all smoke is clear.
4. **Should there be a fire, dial 000 immediately.**

****False alarm callouts can incur a fine exceeding \$1070.** With just a little extra care, we can all reduce the chance of false alarms.

DO NOT TOUCH THE SMOKE DETECTORS AND SPRINKLERS
DO NOT HANG COAT HANGERS THROUGH THE SPRINKLER DEVICE

Touching the sprinkler head may result in it being activated causing hundreds of litres of water to gush into your unit, which will flood not only your unit but also those below. Severe damage costs will be imposed upon anyone who interferes with a fire sprinkler or a smoke detector!

REMEMBER: DO NOT USE LIFTS IN A FIRE EMERGENCY

19. RENEWING YOUR LEASE

Renewing your lease is easy with UniLodge! There's no need to make new friends in a new place. Save money on not having to pay for removal costs, or a new bond. All you have to do is send us an email with your name, unit number and length of lease when we advertise for renewals.

20. TERMINATING YOUR LEASE

Breaking the Tenancy Agreement

The Tenancy Agreement (lease) is a legally binding document which if broken may continue to incur charges for the tenant. Where a Resident believes that they cannot stay in the unit or continue to pay the rent, they must notify UniLodge management in writing as soon as possible.

There is no set amount of notice a Resident can give if they wish to break the Tenancy Agreement early for exceptional reasons. However, it is in the Resident's best interest to give as much notice as possible and, as a guide, two weeks' notice should be the minimum time.

When considering prematurely terminating your Tenancy Agreement, it is your responsibility to do one of the following:

- Pay up front the remainder of occupancy fees that are due under the agreement.
- Find another suitable person to take over your unit or UniLodge will conduct this on your behalf. An early termination fee equivalent to 2 weeks rent plus GST applies, as well as rent up until the next student moves in/end of lease (whichever comes first).

In all cases the unit must still be returned to the same standard that it was in at the commencement of the lease.

You have entered into a legally binding agreement and you are responsible for the payment of the tenancy fees under this agreement for the agreed term. UniLodge reserves the right to seek recovery of these monies should you fail to meet your legal requirements. We have the resources to recover monies owed to us outside of Australia.

21. LOOKING AFTER YOUR APARTMENT

Maintenance

Please follow the procedure below upon discovery of an item requiring attention.

1. Identify the problem and prepare to give the associated details.
2. Contact Reception and fill in the maintenance work order / authorisation form.

Appliances and Systems

Blinds (Window)

Operating Instructions:

To alter the angle of the slats, rotate the clear operating wand in the appropriate direction. Do NOT over rotate the operating wand.

Care and maintenance of your blinds:

Regular cleaning and dusting is advised (this will prevent excessive cleaning costs at the end of your tenancy). This should preferably be performed with a feather duster (or similar). The slats should be opened or closed slightly to dust between the overlap of the slats. Take particular care not to damage the delicate strands of the string ladder, which supports the blind.

Glass and Aluminium

Please note the following suggested points for the care and maintenance of the glass in your apartment.

WHAT NOT TO DO

- Do not store or place items in contact with the glass (This can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e. Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

Joinery Items

Cleaning

A wipe over with a clean, soft damp cloth should be sufficient to keep all laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Scratches and Cuts

Chopping and cutting directly onto the surface can damage laminex surfaces. To prevent this happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur.

Residents are asked not to remove from their unit any item or equipment that has been provided by UniLodge on Margaret/unit owner.

Microwave Oven

Your unit is provided with a microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

Mirrors

The manufacture's recommended cleaning method is as follows:

Gently wipe with a damp, lint-free cloth.

Refrigerator

Your unit is provided with an electric refrigerator connected to a 240 volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on.

Smoke Detector

Your unit has been installed with a smoke alarm. Generally, they are located on the ceiling in the living room/bedroom areas. Each one is connected to a 240V power supply via your unit switchboard. If you attempt to tamper, cover or remove your smoke alarm you will be fined.

Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHALATED SPIRITS or cleaning liquid that does not contain solvents can be used.

Tiled Surfaces

Do NOT clean the tiles with ACID.

Do NOT clean tiles with any abrasive materials.

Do NOT place-potted plants directly onto tiled balconies – remove any residue immediately before staining occurs.

Use specifically designed tile-cleaning detergents only.

Walls

Hanging Items on the Walls

Please be very careful of what you stick onto the walls, we recommend to please not staple, stick, or pin any items to the walls. The walls could become damaged or paint removed if care is not taken and a charge will apply if this does occur. No sticky tape is to be used. No blue tack is to be used as it can stain paint. Residents are not permitted to fix any permanent fixtures to the unit, including wall hooks.

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, Passport and a letter from your college, university etc. confirming your re enrolment. Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department. Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.
